INTERIOR DESIGN & ENGINEERING

Built by Benetti and launched in June 2024 as hull no. 16 of the Italian yard's popular Oasis 40m series, CONTIGO is in pristine condition. With exterior design by RWD and interior design by Bonetti/Kozerski Architecture DPC, CONTIGO has a clean, spa-like aesthetic of white furnishings and varnished teak floorboards.

Originally launched as ORENDA, CONTIGO offers luxurious, flexible accommodation for up to 14 guests across six staterooms, including a full-beam Owner's suite with private salon, office desk, dressing room, and his -and-her en suite with steam shower and tub. The rest of the accommodation is comprised of two VIP staterooms, two convertible twin staterooms with an extra Pullman berth in each, and one convertible cabin. CONTIGO also has room for nine crew members.

Powered by twin 1400hp MAN V12 engines, CONTIGO has a top speed of 17 knots and has a range of 4,000nm at a cruising speed of 14.5 knots. She also offers maximum comfort and stability thanks to her CMC zero-speed stabilizers.

What's inside?

YACHT FACILITIES & ENTERTAINMENT

Inside, CONTIGO's main entertaining area is the serene main deck salon with symmetrical white serpentine sofas to starboard and port, and an Onice marble backlit bar forward. There is a second salon in the sky lounge, where families can cosy up for movie night, and a wellness cabin, but the big appeal of this yacht is her outdoor deck areas.

Doors from the main salon lead out to the spacious aft deck complete with dip pool, sunpads, sun loungers and lounge area, which is like one expansive chic beach club. Meanwhile, up on the sun deck you can sunbathe by the Jacuzzi pool, sip cocktails by its sit-up bar, or dine beneath the shade of the hardtop. To the aft of the sun deck is a luxe lounge with modular furniture that can be moved on nights when you want to enjoy the DJ setup. For quieter moments, even more sunpads can be found on the foredeck
